

# Samuel Raphael

Charismatic programmer versed in solving complex problems.

(732) 309-8920  
sam@rutgers.io

## EXPERIENCE

### **VICE, Williamsburg, NY — Contractor**

May 2015 - July 2015 | Vice.com

Work is largely covered under a nondisclosure agreement. Collaborated on an API-based solution to a problem that was facing VICE.

### **Medical Aesthetics NJ, East Brunswick, NJ — Webmaster**

February 2013 - Present | Medicalaestheticsnj.com

Created a website and an internet identity for the doctor's office.

Providing documents online to expedite service and increase business.

Doctor and procedures featured on Dr. Oz.

### **Hack RU, New Brunswick, NJ — Board Member**

October 2013 - Present | Hackru.org

Manage Rutgers' premiere hackathon through consultation of sponsors such as Google, Twitter, and Bloomberg and steadily growing attendance and outreach for the 24 hour competition. Grew from 200 to 1200 attendance in my tenure.

## EDUCATION

### **Rutgers University, New Brunswick, NJ — Bachelor's in CS**

September 2012 - May 2016 (Expected)

Learning concepts such as data structures, architecture, and languages in Computer Science while simultaneously gaining a minor in Biological Science.

## PROJECT SPOTLIGHT

### **Rutgers Course Sniper — *sniper.rutgers.io***

A registration watching application which scans Rutgers courses that reach peak registration and emails users to inform them when those courses open. My involvement includes front-end maintenance and DNS. Featured in New York Times.

## SKILLS

- C
- Java
- HTML/CSS
- VIM
- Adobe Suite
- Sketch
- Microsoft Suite
- Russian

## AWARDS & PRESS

**Dean's List** for academic excellence.

**The New York Times** wrote that Rutgers Course Sniper would "teach colleges a thing or two".
